

2021 FECA Washington Youth Tour Contest Application

Florida Electric Cooperatives Association (FECA) is again sponsoring a student, who is a child or grandchild of an employee or board member, for the week-long trip to Washington. The winner will tour Washington, D.C., **June 16-21, 2021**. Students who are currently enrolled as juniors in high school are eligible to enter the contest.

Each contestant must submit an essay, 500 to 1,000 words with the following topic: **America's Energy Future for My Generation**. *Explain what the biggest energy challenges will be for your generation and how your cooperative can help meet those challenges.* Essays will be judged on content. Impartial judges will be chosen to judge the essays and select a winner.

Due to the uncertainty of COVID-19, there is a possibility that the 2021 Youth Tour could get cancelled and/or modified to ensure the safety of all involved. If cancelled, FECA will still strive to provide a comparable experience in lieu of the in-person program.
