Are you a federal contractor required to use E-Verify?

Do you operate in any of the states that mandate use of E-Verify?

E-Verify compliance doesn't have to be difficult or time-consuming...

Introducing:

Fisher & Phillips Electronic I-9 Solution. A web-based system for simple yet comprehensive I-9/E-Verify compliance.

Replace paper I-9 forms by creating and storing I-9s electronically. Electronic I-9 Solution alerts you to errors as you complete the I-9 form, allowing for instant correction. This comprehensive system is an easy-to-use, single solution for I-9 and E-Verify compliance.

Highlights:

- Fully integrates Electronic I-9 Solution with E-Verify
- Sample images of acceptable documents will help you spot fakes
- Safeguards against duplicate Social Security numbers within your company
- Stores I-9 forms for new and existing employees
- Complies with government regulations to entirely replace paper I-9 forms
- Generates purge reports for terminated employees
- Generates ICE Audit reports
- Generates custom reports
- Notifies you when documents expire and need to be re-verified
- Able to attach employees' documents electronically to each I-9
- Comprehensive training, technical support, and customer service included
- Secure data encryption and password protection
- Designate unlimited number of users and restrict to specified access level
- Backed by immigration attorneys at a leading national law firm

Electronic I-9 Solution is a simple, efficient, and cost-effective way to protect your business in light of increased immigration enforcement. Don't risk a \$110 to \$1,100 fine per I-9 form violation!
