Subject: NRECA Supervisory Institute

We have had a co-op request to hold the NRECA Supervisory Training Institute in Florida which would be held during the last half of this year. Before we can move forward in scheduling this course, we must determine if there is enough interest in Florida as the price for this specific training is very high. The cost of this week long course would be partially paid for by funds that Statewide receives from Federated, providing we have a class size of 15 attendees. The cost would be about \$850 per person with 20 attendees and about \$1,100 per person with 15 attendees. NRECA is offering this course in Nashville, TN in the fall for \$2,175 per person. Hotel and travel costs are not included.

Please indicate your interest below.

_____ We are interested in attending the week-long Supervisory Institute in Tallahassee, FL, and would send _____ employees.

_____ We are interested in attending the week-long Supervisory Institute in a central location (Ocala or Orlando, FL) and would send _____ employees.

_____ We are not interested in the supervisory training at this time.

Name

Cooperative

Please return via fax to Edie Beiner at (850) 656-5485 no later than **June 12, 2012.**
