

# Safety.BLR.com®

is the leading workplace safety management and compliance information tool, helping organizations keep employees safe and in compliance with OSHA and state agency requirements.

Compliance and training are always changing and can be complex, especially when your organization requires state-specific and federal regulations. But with **Safety.BLR.com®**, it is now easy to find the information you need.

Bring the power and resources of safety industry experts to your company 24/7. **Safety.BLR.com®** gives you instant access to thousands of industrial safety training resources and assessment and inspection checklists, federal and state compliance analysis, safety best practices, OSHA regulatory developments, and more. And no website is more practical or easier to use. With this robust content and flexible delivery, you will get the information you need, when you need it, and how you need it—24/7.

BLR's corporate online version of **Safety.BLR.com®** provides you with the most comprehensive set of state-specific safety compliance, training, and management information on the Web.

## Benefits

### Work Smarter

- Find best practices from other companies that have faced the same challenges.
- Look only one place to find all the answers to your tough questions.
- Easy to use, with regulatory analysis written in plain English, and search capabilities to find information quickly.

### Reduce Your Costs

- Minimize workers' comp claims through training and effective accident investigation.
- Lower legal fees by handling routine compliance questions yourself.
- Receive personalized answers to your questions simply by sending an e-mail to our **Ask the Expert service**.

### Make Training Easier

- Has all you need, including training presentations, checklists, meeting schedulers, quizzes, and handouts.
- Fits your requirements, since each presentation is customizable by you, if needed.
- Plus, Spanish versions of the trainee materials are available.

# Safety.BLR.com®

**delivers the safety management resources you need every day.**

**Safety.BLR.com®** is your everyday management companion for getting it done!

**Comply with OSHA and state regulations.** From Air Contaminants to HAZWOPER, Construction to GHS, **Safety.BLR.com®** provides plain-English analysis of thousands of federal and state regulations and compliance requirements.

**Train employees.** Comprehensive training resources, customizable and ready to use, with slides, trainer's guides, outlines, meetings, toolbox talks, handouts, quizzes, and certificates make training a snap. Even audio presentations for one-on-one training and many resources for Spanish-speaking employees.

**Meet GHS standards.** Having SDS information readily available is key to OSHA's Hazard Communication Standard. **Safety.BLR.com** delivers over 3.5 million MSDSs and SDSs to help you meet requirements.

**Create written plans and policies.** Just add your information to our customizable, prewritten safety plans and policies and you're done.

**Create your Safety newsletter.** **Safety.BLR.com's** new Newsletter Wizard will help you research, compile, write, and format a custom newsletter for employees as fast as you can click a mouse.

**Get clear answers to your tough safety questions.** Another safety professional somewhere has dealt with the same dilemma you face today. Find the answer in our Ask the Experts library, or our panel of safety experts will answer it fast.

## Compliance Resources

- **Analysis**—Easy-to-understand summaries of federal and state developments.

- **Regulations**—Find regulations and notices with scheduled hearing and comment dates. Plus, get access to both federal and state regulations in their entirety.
- **News**—Stay up to date with daily safety news, updates, and feature articles.
- **MSDSs and SDSs on Demand**—Over 3.5 million MSDSs and SDSs with 10,000 new or updated every week.

## Training Resources

Customizable, downloadable, prewritten PowerPoint® training presentations, including checklists, quizzes, and handouts. New audio presentations provide complete training solutions in both English and Spanish and are included in your subscription.

## Industry-Specific

**Safety.BLR.com®** is your destination for hot topic safety issues, training, and compliance. Serving industries such as:

- **Health care**
- **Manufacturing**
