

BALDWIN EMC – LODGING INFORMATION

FOR RESERVATIONS – CALL THE BALDWIN EMC CONTROL CENTER (24/7)

AT 251-989-0127

PHYSICAL ADDRESS:

BALDWIN EMC

19600 State Highway 59

Summerdale, Alabama 36580

The accommodations we can offer to co-ops traveling to Florida are simply an air conditioned bunk house designed for storm duty. The bottom bunks will be used for sleeping and top bunks can hold luggage. Pillows, sheets and a blanket will be supplied. Restrooms and showers will be equipped with towels and toiletries. Please advise your employees this is not a five-star hotel by any means and more like going to summer camp. Hopefully, it's a little better than sleeping in their trucks since hotels all around our area are sold out. Attached is a form we will require that you complete ahead of your arrival.

We do have shelter rules that your employees will be required to adhere to. Those shelter rules will be attached. Baldwin EMC will be continuing to conduct business and will ask that your employees remain in this bunk area. We have fast food restaurants in close proximity to the co-op as well as a Wal-Mart.

We believe in "COOPERATION AMONG COOPERATIVES" and therefore, we are offering these bunks at **no cost** to our co-op friends. They are offered on a first come, first served basis.

Safe travels,

Baldwin EMC

BALDWIN EMC Bunk House Rules

These are basic rules and are subject to change at any time.

1. **No tobacco use** (smoking, dipping, vaping, etc.) allowed inside the bunk house or restrooms. Anyone not obeying this rule will be asked to leave. Designated smoking areas will be available outside.
2. Pets, firearms, and alcoholic beverages are not allowed.
3. Improper language will not be permitted.
4. Quiet time will be observed beginning at 10 PM by all. We request that all electronic devices, phones, radios, TVs, etc. be muted or used with earphones only at this time while people are trying to rest.
5. Remain within the designated areas at all times. Enter and exit the bunk house only through the designated entrance.
6. Please place soiled linens within receptacles provided.
